

Minnehaha Community Water, Corporation is accepting application for a Rural Water Operator. This position performs installation, repair and replacement of mainline and service lines within the water distribution system. These activities may include operation of heavy construction equipment. Previous water utility experience is a plus but not required. The right individual needs to have a clean driving record, be able to lift at least 50 lbs and work in trench type conditions. Also, need the ability to obtain a Class I or higher Water Treatment & Distribution Certificates within 18 months of hire. Normal working hours are 8:00 am to 4:30 pm, with rotating on-call duty on weekends and evenings (every 5-6 weeks). The job offers year round employment, competitive salary, and excellent benefits. If you are enthusiastic and hard-working, call 605-428-3374 for an application or visit our website at www.minnehahacommunitywater.com Resume may also be emailed to Scott at mcwc@siouxvalley.net
