About the Workshops

About the School

These Backflow Workshops are sponsored by the League of Nebraska Municipalities Utilities Section and the Nebraska Section of the American Water Works Association. These workshops will focus on the management of a Cross Connection Control Program to prevent cross connections and backflow incidents to protect the water system and to ensure quality water for consumers.

Who Should Attend

These workshops are designed to benefit any water system operator, manager, installer or tester who deals with any aspect of a water system such as: equipment selection, purchasing, installation, testing, troubleshooting, basic maintenance, evaluation or management.

Participants are encouraged to register two weeks before the workshop to ensure adequate handouts and meals can be made available to the participants. Registration also will be available at the door between 8:30 - 8:55 a.m. Cost for Utilities/AWWA member participants to attend this one-day workshop is \$45. Cost for Non Utilities/AWWA members is \$55. This includes breaks, lunch and learning materials.

Send preregistration and payment to:
