

NS-AWWA Nominations for 2023/2024

The slate of candidates for 2023/2024 was originally sent to the membership (posted to the Section website; <http://awwaneb.org/>) on July 7, 2023. Due to changes on the board due to a resignation, the slate of candidates has been amended.

The elections will take place during the Section's Annual Business Meeting, which begins at 1:30 pm on Wednesday, November 1, 2023, at the Younes Conference Center in Kearney, NE. At that time, nominations will also be taken from the floor. If elected, these nominees will fill the terms from November 2023 through November 2024 or 2025, depending upon the office requirements to which they are elected, as stated below.

2023/2024 Nominees:
