

CYBERSECURITY INCIDENT RESPONSE PLAN WEBINAR AND TABLETOP EXERCISE

EPA's Office of Water Emergency Response and Cybersecurity (OWERC) is hosting a **Cybersecurity Incident Response Plan Webinar** and accompanying hybrid (in-person and virtual attendance options) **Cybersecurity Overview and Tabletop Exercise** for drinking water and wastewater utilities in Nebraska. The webinar will assist utilities in developing cybersecurity incident response plans that can be tested against the cyber incident presented in the tabletop exercise. Attendance at both the webinar and tabletop exercise is highly encouraged. Check the registration pages for information on continuing education.
